

Permission and Acceptance Form for Trips

While it is our intention to help make players participation in tournaments enjoyable and at the same time develop their footballing skills and awareness, we must also ensure that the good name of Glentoran Academy is not tarnished by any players misbehaviour. It is important that the player behaves in a way that is acceptable to their manager and to that of Glentoran Academy; every player is an ambassador for Glentoran and the Academy. Failure to comply may result in expulsion from the tournament/trip and the player possibly being sent home depending on how feasible that would be. Glentoran Academy will not accept a drain on their limited financial resources, for reasons caused by a player's deliberate or reckless action, so we therefore ask that you read the following carefully and sign appropriately.

I am aware that the above mentioned areas of damage is not an exhaustive list
and damage means any damage caused to any property during said trip.
