U19 players in reserve team squad v Warrenpoint	U 12 6-0 Lisburn Youth (NIBFA)

NEWS

Irish Cup Final

We are delighted that Glentoran have made it through to the Irish Cup Final! As an Academy we would like to make a real day out of the event and try and organise for all the players to attend the game – this will, however be dictated by the soon to be finalised ticketing arrangements for the game so at present we are not in a position to confirm any plans but please do contact us to express your interest in this or otherwise as it will require coaches/ parents to supervise children on the day

Beswicks Sports

This past Wednesday evening the Academy hosted English Sports Management Company, Beswicks Sports in a question and answer session for coaches and some hand-picked players and parents. The reason for this was to offer an insight into the process of player transfers to professional football and what players/ parents can expect if contacted by agents and when negotiating potential moves. We believe this is another positive step forward for our Academy in terms of how we look after the welfare and interests of our players and our Academy. We plan to hold further events in the near future.

Girls Academy

We are delighted that Glentoran's junior girls will be guests of the club at tomorrow's NIFL Premiership game at Home to Dungannon Swifts. We will be working more closely with the girls going forward and we would ask all coaches to show support to them as they come under the umbrella of Glentoran Academy in future. The girls will be putting on a half time display so please show them your support if you are at the game!

REMINDERS

- **Results to be forwarded to 07588774986 ASAP for inclusion on website**
